

SUSTAINABILITY COMMITTEE MINUTES
April 11, 2016

ROLL CALL – Bob Harper excused for travel
MEETING @ 6:00 p.m.

- Agenda review and adoption by motion.
- Minutes to be approved: March 14, 2016
- Those registered to address the committee: Fire Chief Puthoff. Chief Puthoff presented a financial analysis of the village budget if the merger takes place using current projections for tax valuations and resources available from Little Miami. The merger is projected to result in a savings to the village even if the 5.25 mil tax increase required for the merger is offset by reductions in millage elsewhere. However, the general fund owes \$147,000 to the FD levy to balance the budget for the past two years.

REPORTS

- None.

OLD BUSINESS

Business in progress and not yet brought to council: FD Budget and FD Merger, grants (on-going search and reporting to council), economic development projects (2100 Losantiville, 2198 Losantiville, 2290 Losantiville, merging vacant properties owned by the village to reduce taxes).

NEW BUSINESS

None
