

**Executive Committee Meeting
January 9, 2012**

The executive committee meeting was opened by committee chair Donna Faulk. Member present Brian Doering and also present Wane Creager, Service Director.

Minutes of December 14th meeting were approved.

There was a discussion on the parking problem throughout the village. We have received a concern from Mrs. Viola Harrison. At this time we could not come up with anything concrete to do. Parking has been a problem in the village for as long as we can remember.

We also had a discussion concerning the rental of the hall and things that need to happen before this is possible.

Next meeting February 13th
